

## List of Laurel True Mosaics in New Orleans

### **\* *In Bywatr/ Marigny***

#### **\* *True Mosaics Studio Facade, in progress***

2801 Chartres St at St. Ferdinand

Design and Creation: Laurel True

Materials: Mirror, glass, paint

Note: My studio does not have regular visitor hours and is not open to the public for drop ins without previous arrangements.

#### **\* *Community Mosaic Mural at Clouet Gardens, 2014***

Across from the one above, in park on Clouet between Dauphine and Royal

Design and Project Facilitation: Laurel True

Creation: Community Volunteers

Made partially from recycled materials: mirror, ceramic, glass

Eyes made by The Mirebalais Mosaic Collective in Haiti

#### **\* *Eye Benches at Clouet Gardens* (same location as above), 2013**

Design and Project Facilitation: Laurel True

Creation: Community volunteers

Eyes made by The Mirebalais Mosaic Collective in Haiti

#### **\* *Six of Disks/ The Green Project Facade***

The Green Project (Recycled building materials store)

Press St at St Claude (right at tracks)

Design and Project Facilitation: Laurel True

Creation: LT and Global Mosaic Project Facilitator Training Workshop Students, 2013

Materials: Floor tile, recycled mirror and mixed media

#### **\* *Lale Mural, 2010***

Fatoush Cafe/ Restaurant, Corner of St. Claude and St Roch. in Marigny

(mural in front by cafe)

Design and creation: Laurel True with assistance by Randy Sanders and Kay Vickers

Materials: Glass and mirror with hand-made glass elements

#### **\* *Sacred Water Community Project, 2010***

New Orleans Healing Center, St Claude at St. Roch

(Inside main entry room facing windows when looking out, to the right of Botanica)

Design and Project Facilitation: Laurel True

Creation: Community Volunteers and students

Materials: Glass and mirror with hand-made glass elements

Project sponsored by a grant by American Flat, NYC

#### **\* *Community Mosaic Projet Nola WOW, 2007***

Clouet St. at Dauphine in Bywater

Design and Project Facilitation: Laurel True

Creation: Community Volunteers and graffiti artists

Notes: Spaces were left (large circular areas) in the mural so that people could come and add to the design later, at the request of the wall owner.

Made from recycled and donated materials: mirror, ceramic, glass, found objects

***Esprit de la Nouvelle Orleans Mural, 2014***

Laurel Bed and Breakfast

3626 Delgado Dr. at Wilson St in Mid-City (off Carrollton near City Park)

Private residence but viewable from sidewalk

8' x 8' inset mural by Laurel True/ True Mosaics Studio

Materials: Ceramic tile with glass and mirror accents

**Lower 9th Ward Village Mosaic Mural, 2008**

1001 Charbonnet Street

New Orleans, Louisiana 70117

Project Facilitation: Laurel True

Creation: Community participants who were part of Laurel True's Facilitating Community Mosaic Projects Workshop during the the Community Built Association Conference
